OBJECTIVE

Marvell Foods is a food sourcing and brokerage company that caters to sustainable domestic government contract opportunities. We specialize in raw and fully cooked beef and poultry commodities. Our products range from raw ground beef and fully cooked beef crumbles as well as chicken strips, tenders and fajita meat. Marvell Foods also sources canned goods as well as shelf stable items such as milk and peanut butter.

Marvell Foods serves the USDA, Food Banks, Federal Prison as well as state funded school food lunch programs.

We are able to work with our co-packers and processors to accommodate food service and retail size units.
